

### SVS Eco valve plug BI-11mm screw terminal

2-pol. + PE, 0,5 - 1,5mm<sup>2</sup>, 6 - 8mm, LED+VDR 230V

Form BI (11 mm) 230 V AC/DC ±15% LED and VDR metric

field-wireable

Plastic housings with good resistance against chemicals and oils.

The resistance to aggressive media should be individually tested for your application. Further details on request.

Environmental characteristics   Climatic	
Operating temperature min.	-40 °C
Operating temperature max.	90 °C
Important installation notes	
Note on strain relief	Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties.
	Attention: Observe the permissible bending radii when laying cables, as the IP protection class can be
Note on bending radius	endangered by excessive bending forces.
