## T-Coupler M12 female / M12 female + M12 male A-cod.

5-pol.

T-coupler Female straight - female/male straight M12 - M12, 5-pole Parallel circuit

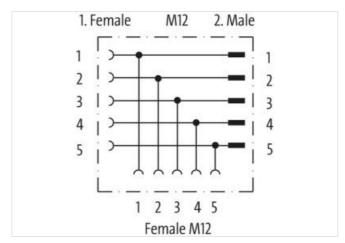

Plastic housings with good resistance against chemicals and oils.

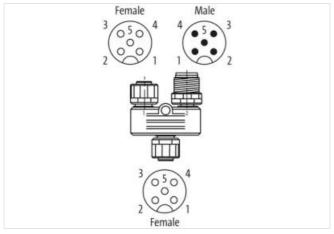

The resistance to aggressive media should be individually tested for your application. Further details on request.

| Operating temperature max.  | 85 °C   |
| Important installation notes  |   |
| Note on strain relief   | Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties. |
| Note on bending radius  Attention: Observe the permissible bending radii when laying cables, as the IP protection class car endangered by excessive bending forces. |   |
